

INSTRUCTIONS TO AUTHORS

1. General information

The journal publishes original scientific papers, short communications, up-to-date review articles, and selective book reviews in agriculture and environment related scientific areas.

Some issues contain “News” and “Book review”, therefore, such contributions are also welcome. Papers are published in British English. Every article will be submitted to a blind peer-review by three different reviewers. The author(s) are fully responsible for the originality of the paper, its subject and formal accuracy. The Authorship statement should be enclosed at the submission or before the publication of the paper.

2. Formal requirements

- A4 size paper with 2.5 cm wide margins. Font: 12 pt. Times New Roman. More information at the 2.1. „Basic structure”. Line spacing 1.15 lines.
- Scientific papers should contain minimum 21,000 characters without spaces, maximum 35,000 characters without spaces.
- Tables and figures should be sent in separate files (see 2.2 and 2.3).
- Use of S.I. units are expected, and the use of negative exponent is preferred to fractional sign. Mathematical formulae are expected to be as simple as possible and numbered in parentheses at the right margin. To indicate a decimal number use a decimal point (.) instead of a comma (,) (e.g.: 0.5).
- Save your file in docx format (Word 2007 or higher) or doc format (older Word versions).

Recommended (but not required) subdivisions of the text:

- Introduction
- Materials and methods
- Results
- Discussion
- Acknowledgements
- References

2.2. Tables

- The tables should be black and white coloured;
- Use Times New Roman, 10 pt.;
- Tables captions above the tables: tables should be marked by Arabic numbers in italic font style (e.g.: *Table 1.*) followed by the name/description of the table with normal font style (e.g.: *Table 1.* The sample table);
- Additional information about the table (e.g. legend etc.) can be added under the table
- Every table should be sent in separate files in .doc, .docx formats. (e.g.: sample1.doc; sample2.docx)

2.3. Figures

- The figures should be black and white coloured with clear visibility (coloured charts can be used in the online and hardcopy version of the Journal paying an additional fee).
- Figures captions should be placed in the main text file after “References”. Figures should be marked by Arabic number in italic font style followed by the description with normal font style under the figures (e.g.: *Figure 1.* The sample figure);
- Every figure should be sent in separate files in .jpg, .tiff, .gif, .bmp or .png formats. (e.g.: sample1.jpg; sample2.jpg)
- For basic figures the minimum resolution requirement is 150 DPI with size of 1240x870 pixels, for photos or more complex figures the minimum resolution requirement is 300 DPI with size of 2480x1750 pixels. (Under these resolutions we cannot provide the visibility of the figures!)

2.4 References

All publications cited in the text should be presented in the list of references, arranged in alphabetical order. For an article: name(s) of author(s), year of publication, title of article, name of journal, volume (in bold), number and pages as shown in the example below:

Khan, S., Qureshi, M.I., Alam, K.T., Abdin, M.Z. (2006): Effect of rainfall and fertilization on the yield of winter rye monoculture. *Agrokémia és Talajtan.* **55**: 1. 165-174.

For a books: „Sample anonymous author (1998): The handbook of environmental monitoring. Part II. Physiological processes. Apocalypse Academic Publisher Inc., London, New York, Montreal”.

When referring papers published in the same year by the same author, letters a, b, c, etc. should follow the year of publication.

The journal has a DOI number and you can find it in the CrossRef system. Accordingly the Author(s) have to check the DOIs of their every references in the <http://search.crossref.org/references> site and put the DOI links after the exact reference in the following:

Ayliffe M. A., Lagudah E. S. (2004). Molecular genetics of disease resistance in cereals. *Annals of Botany.*94: 6. 765-773. DOI: <http://dx.doi.org/10.1093/aob/mch207>

In case of non-compliance of the Formal requirements, we cannot accept the Author(s) paper for publishing!
